About the Program

Brief Overview

The Certification Program in Finance, Tax and Accounting (CPFTA) is a comprehensive upskilling course designed in knowledge partnership with CA / CMA Firms & Companies to equip participants with essential skills and knowledge in finance, accounting, and taxation.

This 3-month online program, conducted on weekdays through recorded and live classes on all days, includes practical case studies led by industry experts from CA / CMA's Firms & Companies . Tailored for individuals seeking to widen their expertise or pivot their careers into finance and taxation. The course offers a solid foundation in accounting principles, corporate finance, financial analysis, and tax regulations. Participants will gain hands-on experience with industry-standard tools, making them ready for the challenges of the modern financial world.

To empower the next generation of finance professionals with cutting-edge knowledge and practical skills, bridging the gap between academic learning and industry requirements.
